

STANDARD TERMS AND CONDITIONS SCHOOL FEES ACADEMIC YEAR 2023-2024

GENERAL INFORMATION

The Standard Terms and Conditions are established to support continuity of education and care and to enable the school to plan effectively. All parents, upon applying for Amstelland International School (AIS) are required to sign and acknowledge that they agree to and accept the terms and conditions in the School Fees Policy and, parents also have to declare to fulfil all financial obligations related to the enrolment at AIS. These steps are included when completing the General Application for Admission online.

Our school fees are established annually for the following academic year, taking into account, amongst other considerations, indexing or inflation. AIS reserves the right to further adjust the school fees to accommodate changes in government funding towards school fees.

Amstelland International School is a member of DIS, Dutch International (Primary and Secondary) Schools (www.dutchinternationalschools.nl), all of whom are partially funded by the Dutch government. Since this funding doesn't cover all costs, Dutch International School are allowed to charge school fees, within a pre-agreed range, and includes permission from the Dutch Ministry of Education.

Amstelland International School's Financial Obligations related to enrolment for the 2023-24 Academic Year are:

Annual tuition fee 2023-2024		5,070
Admission fee (application)	One-time payment, non-refundable	200
Deposit fee for new student applications	Refundable	500
Total School fee		5,770

All stated amounts are in Euros.

What does the fee include?

Thanks to funding from the Dutch Ministry of Education, AIS can offer first-class international education at a reasonable cost to families who temporarily reside in the Netherlands. To offer small class sizes, hire international staff and provide a compassionate and inspiring learning environment, we charge school fees annually.

The school fees cover all educational costs and included field trips, activities, and excursions. The tuition fees listed are annual fees. The payment preference is full payment prior to the first day of school. The fees exclude additional charges for specialist learning support (that are not covered by the Gemeente or health insurance), after school clubs or mother tongue lessons.
